CIVIL ACTION NO. 2:19-CV-262

ORDER

Before the Court is Class Member Loyd Landon Sorrow's "Motion to Terminate Relief, and Judgment as a Matter of Law, or in Alternative a New Trial" (D.E. 343). Sorrow seeks an order that would vacate the judgment so that the class members could seek monetary damages in this case. The Court has determined that the settlement and agreed judgment granting injunctive relief and preserving class members' right to bring their own damages actions in separate lawsuits was appropriate. The motion (D.E. 343) is DENIED.

ORDERED this 16th day of August, 2021.

NELVA GONZALES RAMOS
UNITED STATES DISTRICT JUDGE
